Ms. Frame –

Jody Arndt asked me to follow up with our search process regarding the request you submitted pertaining to [REDACTED]

I began my inquiry for investigative records by reaching out to our HR Executive Assistant, Tina Champion.

She contacted our Risk Management Administrator, Rhonda Haun & our Workplace Investigations Administrator, Renata Rhodes.

We consulted with our Administrative Services Director, Edith Hitchings.

I reached out to our Administrative Assistant 5, Dorene Hurd & our Regional Administrator, Joel Odimba.

I myself, looked at every document in [REDACTED] case via our electronic storage program, trying to locate anything that spoke of any disciplinary measures taken or investigation conducted on the social worker or the supervisor for this case, and there was nothing.

We left no rock unturned ☺
